<b>REPORTS TO REVIEW</b>	Principal's Report
<b>DISCUSSION</b>	<p>a) Teacher practice Lockdown Drill on October 4 Teacher brought up concern that in the event a teacher initiates a lockdown (and not the front office) if the office will hear the teachers shouting "lock down" from the hallways. An additional concern is that the lock down announcement recording cannot be heard well in hallways or at all in the courtyard.</p> <p>b) New requirements going forward Requirements changed and staff only lockdowns are being eliminated.</p>
<b>CONCLUSIONS</b>	We're going to discuss adding an additional step of texting the office once students are secured to ensure the office hears the lockdown and hits the button. Although we have radios in preK, ExEd, and TAs, another acknowledgement is a good idea.
